

Iowa Commercial Manure Applicator Certification – January 4, 2018

Iowa State University Extension and Outreach, in cooperation with the Iowa Department of Natural Resources, will offer the Commercial Manure Applicator Certification/Recertification workshop on Thursday, January 4, 2018, from 9 a.m. to noon. The following counties are hosting this program. Please register by December 27, 2017, by calling the county where you plan to attend. *Indicates viewing site is different than ISU Extension and Outreach County Office.

**Sioux County will hold two showings; at 9:00 a.m. and 1:00 p.m. For those unable to view the video training or test at DNR field office, you can take the online course at <https://elearning-dnr.iowa.gov/>.

Dry/Solid Manure Workshops

Iowa State University Extension and Outreach in cooperation with the Iowa Department of Natural Resources (DNR), will offer manure applicator certification workshops for dry/solid manure operators on six different dates and locations in February. These workshops meet manure applicator certification requirements for both confinement site manure applicators and commercial manure applicators who primarily apply dry or solid manure.

Businesses primarily hauling or applying dry/solid manure are encouraged to attend the dry/solid manure workshops. If you can't attend the workshops, please contact your extension office and request to see the Dry Manure Applicator video.

The workshops are free to attend and open to all. Applicators will be required to submit certification forms and fees to the Iowa DNR to meet manure applicator certification requirements.
