### Crop Advantage Series

January 2019 | 14 Iowa locations

Delivering the research, knowledge and experience of Iowa State University Extension and Outreach to decision-makers in the field.

Iowa State University Extension and Outreach offers the Crop Advantage Series at 14 locations across Iowa during January. Each year the Crop Advantage Series provides the latest research information on crop production.

Program development for the 2019 series is in-progress. Registration will open in November.
