Increasing attention is being focused on small to medium-sized dairies and open feedlots for regulatory compliance. Recent state and federal inspections in Iowa have increased the awareness of manure-runoff issues and have led to actions against livestock producers to better manage manure. The purpose of this field day is to provide information and technical assistance to small and medium-sized dairies and open feedlots in regards to manure management issues.

Agenda

- **Introductions**
  - Beth Doran, ISU Beef Specialist
- **Medium CAFO: What, Why, How, and How not to be one**
  - Shawn Shouse, ISU Ag Engineer

...and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA’s TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410, or call 800-795-3272 (voice) or 202-720-6382 (TDD). USDA is an equal opportunity provider and employer.
